Team Name: SmartStyle

Date of Meeting: 25 May 2020

Start Time: 05:00 p.m.

End Time: 06:00 p.m.

Meeting Location: Online

Moderator: Keli Kasharaj

Recorder: Enejda Doko

Other Members Present: Eni Fejzo, Fabjan Kodra, Klintist Dyrmishi, Sardi Shehu

Members Absent: No one

Topics Discussed and Decisions Made:

Due to COVID-19 pandemic, this project has been part of the midterm grading and this is the last week of team reporting before the hand-in of the work done so far. Therefore, it was seen adequate, after finishing everything, except for the Data Flow diagrams which were assigned to Eni Fejzo to compose, that all the team members work on a final composite review of the project, with the "fresh eyes" of our fellow members to read and comment on the others work, to then also fairly judge the importance of the excellent team work so far and the individual hard work of each one. Therefore, this week we were engaged on reviewing and correct all the inclusive work in regards to our SmartStyle project.

Time, Place, and Agenda for Next Meeting:

Next meeting plans are still open as we need to consult with the professor as to how exactly we need to progress further on.

However, most probably the time and place will be the same as always, meaning online with camera and speaker on the Google meet platform starting around 5:00 or 6:00 p.m. on the upcoming Tuesday.
